BRIEF ABSTRACT OF LETTER.

1 Towards, only, verifies, a proposition statement for the supplementation of the Chitaldrug town police (as also the D.G.'s letter in the matter) at a cost Rs 1812 per annum and states that the proposition ought to have been subd before Sept last according to standing orders.

NOTES AND ORDERS.

1

proposals should have come within

If the D.G.P. is able to meet this extra

there would be no financial objection to

OFFICE OF THE INSPECTOR GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 17th Feb 1916.

From

Diwan Bahadur C. SRIKANTESVARA AIYAR, B.A., B.L.,

Inspector General of Police in Mysore.

To

D. M. Narasinga Rao Esquire, B.A., B.L.,

Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.
(Through the Comptroller of Mysore).

Sir.

I have the honor to state that the Deputy Commissioner, Chitaldrug District, reports that the present staff of the Chitaldrug Town Police is utterly inadequate to meet the overgrown needs of the Town, and recommends the strengthening of the present establishment by converting the Town itself into a separate Investigating Centre like other District head quarter Towns.

2. The Municipality has outgrown itself by the inclusion recently of the two suburbs of Horapete and Kelagotey and has been extensively opened out, by demolishing the old fort walls and affording greater facilities for the inroads of depredators.

3. The physical features of the country around are peculiarly favourable to criminals. Studded with hills and jungles, with the Neerthadi forest on the West, the Jogi mutt forest on the South and the range of hills near Guddarangavvanhalli, the Taluk of Chitaldrug has for long

time been the centre of the activities of the professional criminals and gangs from the adjoining British Districts of Dharwar, Bellary and Anantapur, and the town itself owing to its proximity to the Meldrug Hill, with its huge fort walls encircling the town, portions of which have lately been demolished on grounds of sanitation, frequently falls an easy prey to the ravages of dacoits and robbers, the numerous dilapidated mantaps and temples spread over the hill, serving as so many rendezvous and shielding them from being spotted out or pursued.

4. The appended statement of crime of the Taluk for the past seven years, shows how it has been steadily increasing year after year, and that out of an average of 105 cases for the whole Taluk, as many as 30 occur in the Town itself. The present allocation of the Town is 1 Daffedar and 20 constables. Making allowances for Station Hazree, writer, court duty, leave, sickness or other absence etc, there will be not more than 14 constables available for both day and night patrols. There are six night beats, three of which are where well-to-do persons and merchants live, and where special patrols are required. Each of these three beats needs at least 3 men, and the other three, two each, so that the six beats take away 15 men at a time. It is thus manifest how inefficiently the beats must be carried on at present with the very slender staff in the Town, and how imperative it is to augment the Town Force as early as possible.

5. The Deputy Commissioner recommends an additional force of 1 Jamedar, 1 Daffedar and 12 constables for the Town, and I consider that it is a modest proposal, being the minimum to meet the demands of the Town. While the Jamedar will be the Investigating Officer in charge of the

Town, the two Daffedars will be utilized in supervising the work of the constables by turns, the extra of 12 constables relieving to some extent the tension on the present crippled staff. The extra cost involved by this proposal amounts to Rs.151/- per mensem or Rs.1,812/- per annum, as per proposition statement herewith submitted, for which necessary provision will be made in the next year's budget.

6. I accordingly request that you may be so good as to obtain the early sanction of Government to these proposals, to take effect from 1st July 1916.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

DATE	3

Sir,

With reference to your letter No.J.161 dated 10th instant enquiring whether the additional establishment required for the Chitaldrug Town Police could not be provided for by slightly reducing the force in more quiet localities, I have the honor to state that Chitaldrug is particularly a district of long distances, and so, comparatively more men are specially provided for this District, and that the force for the whole State being undermanned as already represented, it is not practicable to further underman portions which are already suffering.

2. I therefore request that you may be so good as to obtain the sanction of Government to the proposal already made in my letter No.4361/560 dated 17th February 1916.

I have the honor to be,
sir,

Your most obedient servant,

Srikantesvara Aiyar
Inspector General of Police.

Office of the Inspector General of Police in Mysore

Dated Camp Chitaldrug, 23rd June 1919.

From

A. Subrahmanya Iyer, Esqr., B.A.,

Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esqr., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

With reference to your letter No.J.5193/Pol.164-15-4

dated the 28th June 1918, re the augmentation of the Police Force of Chitaldrug Town, I have the honour to state that after personal inspection this morning and discussion of the question with the Deputy Commissioner and the Superintendent of Police, I consider the proposals submitted by Diwan Bahadur C. Srikantesvara Aiyar in his letter No.4361/560 dated the 17th February 1916 are modest and quite necessary.

2. In this connection, I have to submit, for the information of Government, that Chitaldrug Town is always subject to the depredations of dacoits and professional burglars, and occurrences of a sensational nature have frequently taken place, resulting in a few cases in murders also. The last dacoity which created a sensation occurred in May 1916, and as a matter of precaution, one Jamedar, one Duffedar and 12 constables from the District Reserve Force were then told off for patrol duty in the Town, pending the strengthening of the Town Police Force. This arrangement is being continued even now, but only during the dark half of the month, and as a direct result of such extra patrol, there have been no dacoities or serious burglaries since May 1916. The need for the strengthening of the Town Police Force has thus been amply testified. The District Reserve men cannot, however, be spared for this duty for any length of time, as in this large District, with an extensive frontier, the services of the Dist-

27

District Reserve Force will often be required to patrol the frontier etc against the inroads of gangs and criminals, while there are other calls of an emergent nature on this Force. It is absolutely necessary therefore to augment the Town Police Force by the strength recommended by Mr. Srikan-
tesvara Aiyar.

3. In conformity with the re-organization scheme, instead of the Jamedar, a Sub Inspector will be necessary, and there will be some increase in expenditure as below -

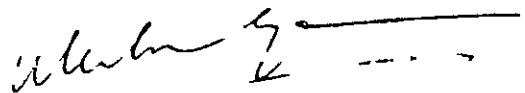

1 Sub Inspector at Rs.40 + 20	Rs. 60
1 Duffedar at Rs.18	18
12 constables at Rs.8-1-11, average Rs.9½ each	114

Total per mensem	Rs.192

The extra cost involved by the increased staff thus amounts to Rs.192 per mensem or Rs.2,304 per annum, instead of Rs. 151 per mensem or Rs.1,812 per annum as in Mr. Srikan-
tesvara Aiyar's proposal. This expenditure has to be met by an in-
creased grant to the Police Budget or by reappropriation of funds from the grant that will be made in the next year's Budget, and not by reducing the strength elsewhere.

4. As the matter is very urgent, I request that you may be so good as to obtain the very early sanction of Government to the proposals.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.

Re the augmentation of the Police
Force of Chitaldang Town -

re-organisation scheme, a sub-inspector has to be appointed instead of the proposed proposal, that the extra cost amounts to Rs 192/- p.m., as noted in the margin, instead of Rs 151/- p.m., as in Mr. Sri Kameswara Aiyar's proposal and that this expenditure has to be met by increased grant to the Police Budget or by re-appropriation of funds not by reducing the strength elsewhere.

1 Sub-Inspector on Rs 4070	Rs 60
1 Sub-bill on Rs 18	18
12 constables at 8-11	114
average Rs 9 1/2 each	
Total p.m.	Rs 192

Order No. 4573 14

The augmentation of the establishment of police has been repeatedly pressed by successive Inspectors General of Police. Government recognise the necessity for this and are pleased to sanction temporarily for the current year, the proposal of the D. G. of Police, involving a cost of Rs 2,304/- per annum.

G.O. are pleased to sanction the additional establishment referred to, temporarily for the current year, the extra cost on this account being met by reappropriation of grants later on in the year.

List of enclosures.

2. The question of continuance of the establishment or making it permanent, will be considered at the time while framing the next year's budget.
